VETERANS VICTORY GOLF CHALLENGE

Presented by the Veterans Service Club at Los Prados

REGISTRATION POLICIES

If your team isn't fully finalized yet, don't worry! Register your team captain today and enter **"TBD"** for any unconfirmed player names to lock in your group's spots. Unconfirmed players will be invoiced at the Non-Veteran rate ($100); if a TBD spot is later filled by a Veteran, we will gladly adjust your rate or refund the difference. If other players are registering separately to join your group, ask them to list your Primary Contact name on their form so we can pair you correctly.

Important Registration Policy:

- **Field Limit:** The field is strictly capped at the first **120 paid participants**. Submitting this form reserves your spot temporarily, but **your registration is only finalized once your invoice is paid**.
- **Invoicing:** An itemized email invoice will be sent to the Primary Contact shortly after submission. Registration is completed on a first come- first served basis as the invoice is paid.
- **Pricing & Status Verification:** The $25 discounted rate applies to Active-Duty service members, Honorably Discharged Veterans, and Military/Veteran Spouses. Please bring a valid Military ID, Dependent/Spouse ID, Veteran ID card, Driver's License indicating Veteran, or DD-214 to morning check-in, as status verification may be requested.
- **Refund & Roster Policy:**

Full refund requests are honored up to **7 days prior to tournament day**. If you must cancel within 7 days of the event, a full refund will be issued only if your spot can be filled by a player on our waitlist.

Player Substitutions: Player substitutions are always accepted. Standard Veteran / Non-Veteran pricing rates apply to all replacement players.

- **TBD Names:** If your registration includes "TBD" players, all final player names and military statuses must be submitted **no later than 7 days prior to tournament day**. Unidentified "TBD" player spots remaining after this deadline may be released to players on our waitlist (with a refund issued to the captain), and standard Veteran / Non-Veteran pricing rates apply to all replacement players.
- Teams: Registrations with less than four players will be combined into foursomes. We will strive to maintain groups together and/or honor any pairing requests - but due to field size limitations, some adjustments might be unavoidable. We will inform you of any team adjustments we must make. Delayed registration payment increases the chances this might affect you.

Only ONE Team Captain should submit registration and payment for a foursome. Please coordinate with your group before submitting to avoid duplicate entries.
